100+ Science Experiments for School and Home, Grades 5 - 8

100+ Science Experiments for School and Home, Grades 5 - 8

Connect students in grades 5–8 with science using 100+ Science Experiments for School and Home. In this 128-page book, students use the scientific method to complete a variety of activities. Each experiment or demonstration includes a materials list and step-by-step instructions. Students investigate weather, the Earth's surface, water, airplanes, jets, rockets, time, and place. Each activity may be completed as an individual student experiment, a teacher demonstration, or a student team project. The materials needed for the experiments are commonly found in the classroom or at home. The book aligns with state, national, and Canadian provincial standards.
