*Changers Book Two: Oryon* in the four-part Changers Series for young adults finds our hero Ethan/Drew on the eve of her second metamorphosis--into Oryon, a skinny African American skater boy with more swagger than he knows what to do with. Enter a mess of trouble from the Changers Council, the closed-minded Abiders, the Radical Changers (RaChas), and his best friend Audrey--at least she was his best friend when Oryon was Drew--and now, it's complicated.

But that's life (and life, and life, and life) for Changers, an ancient race of humans who must live out each year of high school as a completely different person. Before next summer, Oryon will learn what it means to be truly loved, scared spitless, and at the center of a burgeoning national culture war. Most of all, he will

learn again how much the eyes of the world try to shape you into what they see--and how only when you resist do you clearly begin to see yourself.
