Scott Ivie is finally learning what it means to be part of a family. In fact, he has merged so perfectly into the Hamilton family that he almost feels he was destined to be living and working with them in Australia. After all, it was Jess Hamilton who first introduced Scott to the gospel.

But when Jess's younger sister Emma returns from her mission early because of a health problem, she is less than pleased to see the good-looking stranger sitting at the family dinner table.

Facing a life-threatening crisis, Emma has far more important things to worry about than a gold-digging American—even if she is attracted to him. Could there be more to Scott than Emma can possibly see right now? Best-selling author Anita Stansfield once again delivers a compelling story of family unity, faith, and the miracles that can come through the power of the gospel.
