From Book 1:

The case that's haunted one FBI profiler for years may have finally met its match in a sexy—and dedicated—detective...

When FBI profiler Isabella Cortez finds a stranger outside her office, she's in trouble. Because even though Detective Logan Greer is one of the good guys, their instant attraction is a serious distraction. Ella's got one mission: to find the criminal who hurt her friend and drove her to become a profiler. But Logan's appeal isn't just chemistry. He has a case that bears an eerie resemblance to the crime Ella's been trying to solve for years. Together, they're racing to stop a killer, but the closer they get, the more dangerous the search becomes. Falling in love could be deadly...or it could be the only way to survive.
