Tanglewood Tales: Extended Annotated Edition

Nathaniel Hawthorne

Tanglewood Tales: Extended Annotated Edition Nathaniel Hawthorne

This is the extended annotated edition including a rare and extensive biographical essay on the author, a special introductory to the book, as well as an essay by Edgar Allan Poe on Hawthorne's tale-writing.

In the winter of 1853 the "Tanglewood Tales," a series of stories like the "Wonder-Book," was written. The introductory chapter has some interesting observations on the adaptation of the classic myths to children. This work belongs to a special class of books, those in which men of genius have retold stories of the past in forms suited to the present. The stories themselves are set in a piece of narrative and description which gives the atmosphere of the time of the writer, and the old legends are turned from stately myths not merely to children's stories, but to romantic fancies.
