**Zanzibar (Bradt Travel Guides)** Chris McIntyre, Susan McIntyre

Both evocative and magical, Zanzibar offers travellers the quintessential Indian Ocean experience; palm fringed coastlines, powder- white sand, and colourful aquatic life.

Passionate about detail, Chris and Susan McIntyre have carried out extensive on-the-ground research in producing this updated edition. There has been significant growth in the number of hotels, lodges and guesthouses on all three main islands since the last edition and, consequently, the accommodation listings have increased significantly: notably in Zanzibar Town (Stone Town), Matemwe, Michamvi Peninsula, and Mafia island. They visited all the accommodation listed. With almost 300 properties featured, many are newly built and the vast majority (spanning all budget levels) do not feature in any other guide on the market. Each entry has a detailed description with a strong emphasis on guiding readers to the most ethical options.

Zanzibar goes into far greater depth than its competitors on the natural environment, history, culture, and sights. Few other guide books cover the islands of Pemba and Mafia in any detail and yet they are easily combined in a trip. With a focus on the environment, visitors are directed towards fair-trade shopping opportunities and sustainable marine parks. This new edition also includes a dedicated section on southern Tanzanian safaris, making this guide excellent for readers looking for a bush and beach combination. Advice is given on how to be sensitive to the local Muslim culture.

Bradt's guide is the most frequently and scrupulously updated guide available, vital for a destination with tourism growing and changing so rapidly.
