Acque Oscure - Libro degli elementi primo (Italian Edition) Rain Oxford

Devon Sanders, un investigatore privato noto per la sua efficienza e discrezione, non ha alcun interesse a far parte della comunità paranormale. Sfortunatamente per lui, la comunità paranormale è molto interessata a lui, o quanto meno al suo segreto. Devon è formidabile nel risolvere i casi grazie al suo formidabile intuito.

Quando Devon scopre un omicidio violento, sa che non si tratta di un crimine naturale. Per risolvere il caso e scoprire l'assassino, dovrà andare, sotto copertura di mago, all'università del paranormale, Quintessenza. Ben presto scoprirà che il suo talento deriva da forze soprannaturali più di quanto abbia mai saputo.

La magia è negli elementi.
