Angel on My Doorstep: An Ordinary Woman's Journey With Those from The Other Side Susan Parker
Author Susan Parker's spiritual adventures began at the age of three and evolved as she matured. In this book she chronicles her husband's illness and eventual passing.

"Bedridden during the final days of his life, drifting in and out of sleep," writes Susan, "Cort told me in a moment of clarity that I needed to write this book, 'to make it easier for the next guy.' The last weeks of Cort's life were filled with one spiritual adventure after another as we each walked with those on 'the other side' of the veil."
