Fathers and Sons (eBook): Building a strong and God-honoring relationship Angus Buchan

Next to God, a family is the most important relationship a person can possibly have in this life. The Lord never designed us to be on our own. We need each other, just like iron sharpens iron, just like coal needs fire in order to burn brightly.

FATHERS AND SONS is a call to fathers to guard their relationship with their sons, and for sons to treasure their relationship with their father – with passion and purpose.

Some of the themes Angus Buchan discusses in FATHERS AND SONS includes: Dad's affirmation, role models, grace and respect, humility versus pride, sacrifice, what constitutes a father and tough love.

FATHERS AND SONS will encourage every father to be the father that God wants him to be and reveals the incredible impact it will have on his children.
