Saving Kenna is an erotic stand-alone novel with an Irish twist, a bunch of second chances, and a sweet happy ever after set in the Indulging Series world. It is not necessary to read Indulging in Irelyn or Being Zolt, but I hope you'll want to after reading Kenna & Sloan's story.

I knew from the first moment I saw her, Kenna Campbell would be my undoing. I've done my best to stay away from her, but I fail at every turn. Now, she's been taken from me, and I'll stop at nothing to get her back.

Irish born, Sloan Sullivan is a man with a past he can't escape. Everything about him, from his identity to his profession, is a lie.

Until he met Kenna, he didn't think twice about his fraudulent life. Now, his past is threatening his future and preventing him from saving the woman he loves.

I've loved Sloan from the moment I saw him. Though he pushes me away at every turn, and his alpha male tendencies frustrate me, I never leave. I always give him a second chance.

Kenna Campbell fell in love with Sloan Sullivan when she was sixteen. Throughout the years, she's stayed true to him even when it hurt her to do so.

In a heartbreaking turn of events, Kenna falls prey to Marcus Xavier's evil game. Though she's physically survived the brutality she suffered at the hands of two men, her emotional and mental scars refuse to heal, and she wonders if she's broken beyond repair.

Is love enough to keep these two together, or will the monsters from both their pasts destroy them forever?
