Shadow Bride (Brides of Montclair) Jane Peart

For Rod it was a moment out of a thousand dreams. Yet the reality was more than he could have imagined. "Blythe!" He said her name and in his voice was all the hope he'd thought was lost. The woman he saw was even lovelier than the girl he remembered. She was still as beautiful -- tall, slender, the glorious auburn hair, the soft, vulnerable mouth and peachbloom skin -- as when he had first met her at Montclair. At sixteen, Blythe had been shy, eager to be accepted and loved, now she was poised, fashionably dressed, self-confident. But in those same velvety brown eyes Rod saw what he was searching for -- that she still loved him. Would it be possible to bridge all the silent years that had separated them? Or had they changed too much? Had too much happened to make them different from the people they had been when they had fallen in love? Was it too late? Shadow Bride continues the story of the gallant bride of Malcolm Montrose, Blythe Dorman, who struggled so unselfishly to save a marriage that should never have been, that ended tragically before her son's birth. After heartbreak, despair, and sorrow, Blythe gathers up the fragments of her life and builds a new one for them both in England. Before she can find lasting happiness, Blythe must come to terms with her past, confront her heart's truth, and search for her own heritage. To find her real identity and true love, she has to meet these challenges and choices as the woman she has become, not as the girl she once was.

From reader reviews:

Gerald Toups:

Typically the book Shadow Bride (Brides of Montclair) will bring you to definitely the new experience of reading some sort of book. The author style to elucidate the idea is very unique. If you try to find new book you just read, this book very ideal to you. The book Shadow Bride (Brides of Montclair) is much recommended to you to study. You can also get the e-book through the official web site, so you can quickly to read the book.

Bruce Zimmerman:

This Shadow Bride (Brides of Montclair) is great reserve for you because the content that is full of information for you who all always deal with world and still have to make decision every minute. This kind of book reveal it information accurately using great plan word or we can point out no rambling sentences inside it. So if you are read the item hurriedly you can have whole details in it. Doesn't mean it only offers you straight forward sentences but challenging core information with wonderful delivering sentences. Having Shadow Bride (Brides of Montclair) in your hand like finding the world in your arm, details in it is not ridiculous one particular. We can say that no publication that offer you world throughout ten or fifteen tiny right but this e-book already do that. So , this is good reading book. Hello Mr. and Mrs. stressful do you still doubt that?

George Hughes:

Do you like reading a book? Confuse to looking for your favorite book? Or your book has been rare? Why so many issue for the book? But any people feel that they enjoy for reading. Some people likes studying, not only science book and also novel and Shadow Bride (Brides of Montclair) or maybe others sources were given knowledge for you. After you know how the truly great a book, you feel need to read more and more. Science publication was created for teacher or maybe students especially. Those books are helping them to increase their knowledge. In additional case, beside science reserve, any other book likes Shadow Bride (Brides of Montclair) to make your spare time far more colorful. Many types of book like this one.

Wendell Holloway:

As a student exactly feel bored to reading. If their teacher asked them to go to the library or even make summary for some guide, they are complained. Just small students that has reading's spirit or real their pastime. They just do what the educator want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that studying is not important, boring and also can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Shadow Bride (Brides of Montclair) can make you sense more interested to read.
