Conrad E. Meinecke

Your Cabin in the Woods:: A Compilation of Cabin Plans and Philosophy for Discovering Life in the Great Out Doors Conrad E. Meinecke

2015 Reprint of 1945 Edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. If you want to build your own fireplace, or your own cabin in the woods with its wood-burning fireplaces, this book contains cabin plans and detailed instructions you will need. Written for the novice, it not only tells about cabins and fireplaces and how to build them, but about back garden fireplaces, designs for rustic furniture, out-door cooking menus, gateways, guard-rails and fences. It is filled with philosophy and wisdom on living in the out-of-doors. Meinecke was a well-known master cabin builder and do-it-yourself man. He not only wrote the book, but he printed the original edition himself on a small press in his own home and bound it in craft cloth laced together with stout cord. Still considered a classic work.
