Canoe Camping Tim Gent

In this book Tim Gent shares his enthusiasm for and experience of travelling and camping from an open canoe. He covers planning a journey; selecting the right canoe and equipment for the journey you are planning and how to pack your canoe. All the traditional skills of campcraft such as fire lighting, cooking on an open fire, campsite selection and many more are explored, as are the more modern lightweight options. If you read Tim's book you will be inspired to paddle off into the distance and experience the joys of a waterborne nomadic existence ...even if only for a break from our modern sedentary lifestyle.
