Predator: Dark River #3 (Predator Vol. 1) Mark Verheiden

"Schaefer joined NYPD to ""serve and protect."" It's a bug in his blood or a chip in his brain. But as bad as things get in the drug-infested concrete jungle, there's something worse out there, something evil, something that needs to be stoppedstopped dead. The last time Schaefer faced it was in Russia. Now he's heading to the jungles of South America, and he'll come back with the head of a Predator . . . or he won't come back at all. Written by screenwriter Mark Verheiden (Smallville, Heroes, Battlestar Galactica, Falling Skies) and illustrated by Ron Randall and Rick Magyar."
