Ropes to God: Experiencing the Bushman Spiritual Universe (Profiles of Healing)

In this detailed personal account of traditional healing practices, Bushman doctors from Namibia disclose the defining symbolism, art forms such as rock art, and kinesthetic elements that define Bushman spirituality. Ropes, cords, threads, and lines of light enable the spiritual healers to commune with ancestors and gods, as well as communicate with other Bushman communities. Also documented are the physical movements that facilitate entering the transformative states of hyper-arousal and synesthesia.
