The Witch from the Sea (The Daughters of England Book 3) Philippa Carr

A reluctant bride has just begun to love her volatile husband when she rescues a mysterious woman who will bring terrible danger to them all

Linnet Pennlyon, proud daughter of a sea captain, finds herself in a vicious trap: Pregnancy has forced her to marry the cunning Squire Colum Casvellyn. Once their baby is born, she devotes herself to their son. Yet, little by little, against her will, Linnet finds herself drawn to her passionate, mercurial husband. Dark secrets lurk in their castle: The squire's first wife died amid rumors of foul play. When a beautiful stranger washes up on the shore, Linnet suddenly finds she's no longer in control of her family—or her life.

It falls to Linnet's daughter, Tamsyn, to uncover the truth about a long-ago night . . . and put to rest the rumors about her beloved mother. Her discovery sets in motion an unstoppable chain of events that will reverberate for decades to come.
