Finding the Will of God: A Pagan Notion? Bruce K. Waltke

New edition of a popular, biblically based guidebook exploring God's will

Does the Bible teach Christians to “find” God’s “special will” for their lives? No, it does not, says respected biblical scholar Bruce Waltke, contrary to much popular evangelical teaching. In this acclaimed book Waltke clearly distinguishes between pagan divination (“guessmancy”) and solid, Bible-based guidance as he distills from Scripture a six-point program to help guide Jesus followers on their life journey.

This expanded and extensively rewritten second edition of Waltke’s *Finding the Will of God* incorporates the best insights from many other books on guidance that have appeared since the first edition came out (2002), and it includes an entirely new chapter on learning to protect one’s heart. This edition also features thoughtful questions for reflection at the end of each chapter.
