Speaking Truth to Power

Anita Hill

Speaking Truth to Power Anita Hill

See the new HBO movie CONFIRMATION about the Clarence Thomas hearings, starring Kerry Washington in the role of Anita Hill—then read Hill’s own life story.

After her astonishing testimony in the Clarence Thomas hearings, Anita Hill ceased to be a private citizen and became a public figure at the white-hot center of an intense national debate on how men and women relate to each other in the workplace. That debate led to ground-breaking court decisions and major shifts in corporate policies that have had a profound effect on our lives--and on Anita Hill's life. Now, with remarkable insight and total candor, Anita Hill reflects on events before, during, and after the hearings, offering for the first time a complete account that sheds startling new light on this watershed event.

Only after reading her moving recollection of her childhood on her family's Oklahoma farm can we fully appreciate the values that enabled her to withstand the harsh scrutiny she endured during the hearings and for years afterward. Only after reading her detailed narrative of the Senate Judiciary proceedings do we reach a new understanding of how Washington--and the media--rush to judgment. And only after discovering the personal toll of this wrenching ordeal, and how Hill copes, do we gain new respect for this extraordinary woman.

Here is a vitally important work that allows us to understand why Anita Hill did what she did, and thereby brings resolution to one of the most controversial episodes in our nation's history.

From the Trade Paperback edition.

There are a lot of those who recommended this book. These people were enjoying reading this book. If you did not have enough space bringing this book you can buy the particular e-book. You can m0ore simply to read this book out of your smart phone. The price is not to fund but this book features high quality.

Lois Hutter:

Speaking Truth to Power can be one of your beginner books that are good idea. Most of us recommend that straight away because this e-book has good vocabulary which could increase your knowledge in words, easy to understand, bit entertaining but nonetheless delivering the information. The copy writer giving his/her effort to put every word into delight arrangement in writing Speaking Truth to Power however doesn't forget the main place, giving the reader the hottest in addition to based confirm resource data that maybe you can be certainly one of it. This great information could drawn you into fresh stage of crucial contemplating.

Lillian Kea:

As a pupil exactly feel bored to reading. If their teacher expected them to go to the library in order to make summary for some publication, they are complained. Just small students that has reading's heart and soul or real their interest. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that reading is not important, boring as well as can't see colorful images on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Speaking Truth to Power can make you sense more interested to read.
