Synergistic Collaborations: Pastoral Care and Church Social Work Velmarie L. Albertini, Jonathan Grenz

Synergistic Collaborations is a valuable resource for Christian ministers and social workers seeking to extend outreach ministries and new ways to collaborate with community organizations as they serve hurting people. This unique book combines case studies, theological reflections, reality dialogue questions, personal experiences, and research that broaden readers' understanding of the synergistic relationship that naturally exists between pastoral care ministry and social work practices. The authors challenge contemporary perceptions concerning how churches might help people affected by issues related to mental illness, poverty, HIV/AIDS, substance abuse, homelessness, and domestic violence. With the aim of ameliorating existing church ministries, this book offers opportunities to build the knowledge base and skills of readers as they explore Christian ministries in relation to the many personal and social problems people face in our rapidly changing culture and society.
