Thailand Confidential

Jerry Hopkins

Thailand Confidential Jerry Hopkins

"Wanna stand in the face of a charging elephant, get hit by a motorcycle, eat giant water bugs, blowtorch your mouth on some of the hottest chili peppers on earth, then go watch a sex change operation? Of course you don't, but, happily, Jerry Hopkins has done all that and more—lots more—in this darkly humorous, deeply affectionate, clear-eyed but never patronizing portrait of Thailand, his adopted home. Highly recommended." —**Tim Cahill, author of *Lost in My Own Backyard, Hold the Enlightenment and Jaguars Ripped My Flesh***

"After over a decade in the country, Hopkins knows and loves his subject dearly—that much is obvious—and his vivid portrait projects that love from every page." —**Jann Wenner, editor and founder of *Rolling Stone Magazine***

"A loving expose of everything that's wonderful about Thailand, and much that isn't. Should be required reading for all newcomers." —**Joe Cummings, author of the *Lonely Planet Thailand Guide***

Writer Jerry Hopkins came to Thailand for a visit in the 1980s, and ended up a permanent resident with a temporary visa—a big, white *farang* haunting the bars and back alleys of Bangkok. His essays explore the mystery and mayhem of "The Land of Smiles" to hilarious—and sometimes disturbing—effect.
