All of London is buzzing about *The Adventures of a Woman of Pleasure by Lady Loveless*, a book of barely disguised accounts of the ton's sexual escapades. Reputations have been ruined and society is scandalized, but no one is more shocked than Lord Alexander Beaumont when he learns that the mysterious Lady Loveless is none other than his estranged wife! He remembers Melicent as a shy, innocent young woman and is determined to find out where she's been getting her information...and who has turned his inexperienced bride into a brazen author of erotic literature. There's only one solution: Alex will seduce his errant wife and learn all her wanton secrets...
