Virtual Souls David Rothman

I am not my body. I am my intentions, my inspirations, my heart, and my wisdom. There is a connection between my body and my presence that I have discovered encoded in my DNA. It is the telephone and wires and special features to activate when communicating with me. 'Me' meaning my presence, that entity that can know it exists, be conscious, and make choices. Imagine a mirror through which your soul could escape from the bonds of this world to a place where Virtual Souls can live, interact, and grow without any fear. Virtual Souls, by David Rothman, takes the reader inside this world where regrets can be resolved, lessons learned, and illnesses cured by the power programmed into each individual's DNA. Come on a journey with Noah Robinson, genetic engineer and computer scientist, into his creation: the Virtual Soul Machine. Follow his progress as he struggles to discover the nature of the human soul and to give a gift to humanity to cure itself of its destructive nature.
