Consulting Mastery: How the Best Make the Biggest Difference Keith Merron

Most consultants are content to solve problems. Extraordinary consultants alter the culture of the client organization itself, changing the way the organization operates. Keith Merron shows that the most powerful tool for making a real difference is the consultant's inner stance--the attitudes, assumptions, beliefs, goals, and strategies that underlie the consulting practice. In other words, it is the inner qualities of the consultant that differentiate a great consultant from the rest of the pack.

Consulting Mastery explores the deep inner shift required to become an extraordinary consultant. Through vivid examples, Merron contrasts the goals, strategies, and tactics used by most consultants with those used by masterful consultants to reveal the qualities and characteristics that will help you make the biggest difference with your clients.

If you yearn to have a bigger impact on your client organizations, or even on the world as a whole, Consulting Mastery shows how to transform yourself from a problem solver to an empowering partner. Following a natural flow of learning, it details the conceptual foundation of consulting mastery, provides a vision of mastery in action, and outlines a clear path to attaining mastery in oneself.
