Reader favorite Elle James knows suspense...and her heroes are trained for danger...

But secret operative Creed Thomas isn't prepared for Emma Jenkins. Creed needs the diving expert to locate a sunken boat off Oregon's rocky coast and lure out an elusive terrorist. But he doesn't need the fiery attraction that tempts the by-the-book agent to break every rule. Emma is everything the man in him wants and the agent in him can't have.

As an impenetrable fog blankets the seaside town, one thing is clear: Creed is all that stands between a terrorist and the unspeakable act of violence he's sure to commit. When the moment comes, will Creed be forced to choose between saving his country...and the woman he loves?
