Inflation Protection Bonds John Brynjolfsson

Inflation-protection bonds are specifically designed to hold their value in today's uncertain economy. If you are unfamiliar with their specific attributes and uses, you may be missing out on one of the most powerful and versatile fixed income products in the marketplace today! In this detailed book, institutional investment officers John Brynjolfsson and Anthony Faillace give you the most up-to-date research findings and information available on these uniquely conservative new instruments. This essential guide provides complete details on: How and why IPBs were created, with background information vital for you to ensure the value of your IPB investment; Strategies that you can easily use to profit from IPBs; and the role of IPBs in a global investment strategy. Inflation-Protection Bonds is the first book to explain both the benefits and the risks of one of today's most intriguing and potentially productive investments. Its specific steps and recommendations will help assure that IPBs become a valuable addition to your investment portfolio.
