The second volume in our Modern Landscapes series examines the evolution of Pittsburgh's first modern garden plaza. Completed in 1955 from a design by the acclaimed landscape design firm Simonds & Simonds and architects Mitchell & Ritchey, Mellon Square functioned as an urban oasis that provided downtown office workers a much-needed respite from the city's infamous smoke pollution. Now, more than six decades later, Mellon Square is undergoing a major restoration by Patricia O'Donnell of Heritage Landscapes that aims to restore this urban garden and help revitalize downtown Pittsburgh. Featuring new photography and archival material, *Mellon Square* is the only book to showcase the development of this iconic urban landscape.
