## **The Biblical Basis for the Papacy** John Salza

The Roman Catholic Papacy is the longest-living institution in the Western World - and at times one of the most controversial due to the basic doctrines of: Papal Authority, Papal Infallibility and Apostolic Succession. Drawing upon Old and New Testament Scripture, Tradition, and the words of the Early Church Fathers, author and noted Catholic apologist John Salza presents a comprehensive and compelling story of the office of the papacy from a biblical perspective. Arguments against the papacy are weighed and refuted in a charitable but convincing manner, making this a valuable resource for everyone intrigued or confused by the nearly 2,000 year old papal office - regardless of your faith background. Whether you are defending, questioning or exploring the Catholic Faith, this book provides the most concise and clear examination of the Catholic Church's supreme teaching office as instituted by Christ, Our Lord and Savior.
