The Golden Kill (Black Samurai Book 2) Marc Olden

Alone and outgunned, Sand has two weeks to stop the largest gold heist in history

The Chinese diplomat walks into the revolving door just a step ahead of the grenade. Samurai Robert Sand is too late to save him from the blast, but as the smoke clears he is hot on the grenade-tosser's heels. In Central Park, Sand disarms the killer and knocks him unconscious. His name is Ivan Vanich, and he is posing as a Soviet operative. His real employer is a power-mad millionaire, who arranged the hit as part of a plot to upend a Russo-Chinese trading contract and seize the profits for himself. The diplomat in the revolving door was only the first to die.

On special orders from an ex-president, Sand races to avert catastrophe. His hunt for answers takes him to a sprawling English castle, where the samurai comes face to face with the man who would let millions die for the sake of gold.
