**A sombra vinda do tempo (Portuguese Edition)** H.P. Lovecraft

"A sombra vinda do tempo' é um passo adiante na dialética — que Lovecraft havia descoberto e desenvolvido havia anos — entre o clássico conto de horror e o gênero 'cósmico' que ele, de modo especial, tinha em vista", segundo Giuseppe Lippi. O professor Peaslee recobra a memória após sofrer de amnésia por cinco anos e começa a pesquisar seus estranhos sonhos. As investigações levam-no até a Austrália Ocidental e a um simples pedaço de papel que encerra a derradeira verdade sobre as viagens através do tempo. O volume traz em apêndice as notas do autor para a criação da novela, além da colaboração de Lovecraft para o conto "O desafio do além", escrito em conjunto com outros quatro autores
