**Delírio (Portuguese Edition)** Lauren Oliver

MUITO TEMPO ATRÁS, não se sabia que o amor é a pior de todas as doenças. Uma vez instalado na corrente sanguínea, não há como contê-lo. Agora a realidade é outra. A ciência já é capaz de erradicá-lo, e o governo obriga que todos os cidadãos sejam curados ao completar dezoito anos.

Lena Haloway está entre os jovens que esperam ansiosamente esse dia. Viver sem a doença é viver sem dor: sem arrebatamento, sem euforia, com tranquilidade e segurança. Depois de curada, ela será encaminhada pelo governo para uma faculdade e um marido lhe será designado. Ela nunca mais precisará se preocupar com o passado que assombra sua família. Lena tem plena confiança de que as imposições das autoridades, como a intervenção cirúrgica, o toque de recolher e as patrulhas-surpresa pela cidade, existem para proteger as pessoas.

Faltando apenas algumas semanas para o tratamento, porém, o impensado acontece: Lena se apaixona. Os sintomas são bastante conhecidos, não há como se enganar — mas, depois de experimentá-los, ela ainda escolheria a cura?

### From reader reviews:

#### Geneva Milbourn:

As people who live in the particular modest era should be up-date about what going on or facts even knowledge to make them keep up with the era that is always change and advance. Some of you maybe will update themselves by looking at books. It is a good choice for yourself but the problems coming to an individual is you don't know which one you should start with. This Delírio (Portuguese Edition) is our recommendation to make you keep up with the world. Why, because this book serves what you want and want in this era.

#### James Ritchey:

Nowadays reading books be than want or need but also get a life style. This reading addiction give you lot of advantages. The huge benefits you got of course the knowledge the particular information inside the book which improve your knowledge and information. The details you get based on what kind of publication you read, if you want send more knowledge just go with schooling books but if you want really feel happy read one along with theme for entertaining for instance comic or novel. The actual Delírio (Portuguese Edition) is kind of publication which is giving the reader unstable experience.

#### Earnest Koontz:

Reading a book can be one of a lot of task that everyone in the world really likes. Do you like reading book therefore. There are a lot of reasons why people enjoyed. First reading a book will give you a lot of new details. When you read a book you will get new information mainly because book is one of a number of ways to share the information as well as their idea. Second, reading through a book will make anyone more imaginative. When you studying a book especially fictional book the author will bring you to imagine the story how the characters do it anything. Third, you could share your knowledge to other individuals. When you read this Delírio (Portuguese Edition), it is possible to tells your family, friends and also soon about yours publication. Your knowledge can inspire the others, make them reading a publication.

#### Luis Hahn:

Reading can called brain hangout, why? Because when you are reading a book specially book entitled Delírio (Portuguese Edition) your thoughts will drift away trough every dimension, wandering in every aspect that maybe not known for but surely will become your mind friends.
