Instant Firebug Starter Chandan Luthra

In Detail

With the advent of RIAs (Rich Internet Applications), most web pages are driven by a combination of JavaScript, AJAX, CSS, and so on. It is difficult for front end and web developers to debug and fix issues that crop up on client machines. Firebug helps to solve this; it is a wonderful toolkit to help identify and fix issues that would ordinarily take much longer to find and fix.

Firebug Starter is a practical, hands-on guide that provides you with a number of clear step-by-step exercises to help you take advantage of the full power that Firebug offers. This book will give you a great grounding in using Firebug to debug, fix, and optimize your web pages.

From installation to navigating the various panels to edit, inspect, and modify your webpages, this practical guide will help you through the wilds of Firebug without a single bite.

A step-by-step description of key features is provided with the help of simple and concise examples. Each chapter will help you understand the key features of Firebug with tips and tricks that will become the foundation of your knowledge in the future. The Firebug Starter can be used as an end-to-end guide or as a desk reference with sections that deal with all the key aspects of web development like CSS, Javascript, and AJAX.

This Firebug Starter guides you through the basics of Firebug and contains years' worth of industry knowledge and expertise. This knowledge has been stripped back to 60 pages of useful insights, tips, tricks, and the latest techniques that will get you up to speed in no time.

Approach

Get to grips with a new technology, understand what it is and what it can do for you, and then get to work with the most important features and tasks. This easy to understand Starter guide will get you up to speed with Firebug quickly and with little effort. Hands-on and practical examples allow you to get a feel for the tool and get used to using it on a day-to-day basis.

Who this book is for

If you are just starting out with web development and looking to improve your site with Firebug, then this guide is for you. If you have a basic understanding of web development then this guide is easy to follow and will benefit your site no end.

Susanne Pineda:

Playing with family in a park, coming to see the marine world or hanging out with close friends is thing that usually you could have done when you have spare time, then why you don't try matter that really opposite from that. One particular activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love Instant Firebug Starter, it is possible to enjoy both. It is great combination right, you still want to miss it? What kind of hang type is it? Oh come on its mind hangout guys. What? Still don't understand it, oh come on its known as reading friends.

Dollie Simmons:

Are you kind of occupied person, only have 10 or perhaps 15 minute in your day time to upgrading your mind expertise or thinking skill possibly analytical thinking? Then you are experiencing problem with the book compared to can satisfy your limited time to read it because this time you only find book that need more time to be go through. Instant Firebug Starter can be your answer mainly because it can be read by anyone who have those short free time problems.

Jessica Sarmiento:

As a scholar exactly feel bored in order to reading. If their teacher questioned them to go to the library in order to make summary for some reserve, they are complained. Just minor students that has reading's spirit or real their pastime. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this Instant Firebug Starter can make you sense more interested to read.
