Is It God's Word?

Joseph Wheless

Is It God's Word? Joseph Wheless

Is the Bible the word of God? This classic of atheistic literature has the answer, and it's a loud and profound NO! American writer JOSEPH WHELESS (1868-1950) employs all the tools of the logician, from the self-evidence of reason to the words of the very proponents of the attitudes he strives to dismiss, to condemn Christianity as nonsense.

Wheless roundly debunks.

- . the patriarchs and the covenants of Yahweh
- . the wonders of the Exodus
- . the forty years in the wilderness
- . the "ten commandments" and the "law"
- . the "conquest" of the promised land
- . the holy priests and prophets of Yahweh
- . the "prophecies" of Jesus Christ
- . the inspired "harmony of the Gospels"
- . the Christian "plan of salvation"
- . and more.

This is a highly provocative work, one that should be explored by believers and doubters alike.
