## **Sadie's Prize** Margaret Daley

Sadie Spencer would stop at nothing to help her students. Even if it meant winning a date with one of Oklahoma's most eligible bachelors, Andrew Knight, to get him to listen to their needs. But on their "date," Sadie quickly saw that Andrew was more than the cold businessman she'd assumed he was, and he had a lot more to offer than mere money.

Experience had taught Andrew that he didn't need anyone in his life. Until Sadie began to show him that he could make a difference in her students' lives—and in hers. But though the walls he'd built around his heart were slowly crumbling, would he ever find the courage to make peace with his past so that he could be not only Sadie's prize...but her husband?
