### Ashamed No More

**Every woman** needs a safe place to bleed...a quiet place to scream, and friends to dress her wounds. She needs the support of sistahs who won't cringe at the honest truth, who are willing to walk by her side, who will listen to her stories, and who will offer balm to heal her wounds.

**This collection** of poignant, true stories honestly reflects the humiliation that countless women experience every day at the hands of people who are supposed to love them. Drawing from the biblical story of Tamar, who was raped and disgraced by her own brother, spiritual truths of hope, healing, and new beginnings are highlighted in every story.

**Among the women** who have shared their stories of truth and triumph are Bonnie DeBarge of the famed Motown group the DeBarges, award-winning novelist Sharon Ewell Foster, and author Claudia Mair Burney.

**Most women endure in silence** -- afraid to tell the truth, held captive by their disgrace. But here, in these pages, they have told the truth, they have lifted their skirts to show their scars, and most important of all -- they have found redemption, hope, and new life.

**Your Own SistahFaith Circle:** In addition to sharing beautifully written stories and poems, this book shows you how to gather your own group of sistahs, and each chapter includes discussion questions that will help your gathering of sistahs journey past the shame, beyond rejection, and straight to the heart of God.
