## A prayer that promises miracles

*"This book is for anyone who wants a miracle, has ever wanted to see God's work in action, or needed proof of His existence. It is for the doubters and believers alike.*

*If you think nothing is out there, think again. Whether you're an agnostic astrophysicist or a seminary priest, you will discover an ancient gift that works every time, no questions asked. By the time you finish this book, your perception of the universe will have changed.*

*If you thought God was out there but not listening, you may discover that you have been tuning into the wrong channels. It doesn't matter whether you want to call it the Light Force of God, the creative power of the Lord, or any other expression of omnipotent omniscience because as you'll soon discover, you have the ability to tap into it. In fact, you've had the ability all along.*

*If you ever wondered if anyone was listening or if anyone cared, you'll soon see for yourself the benevolence that's been available to you and all of us since the dawn of time. You'll learn why the ancient sages said the Light Force always gives, always listens, and always answers. Find out how to get heard. Find out what you've been missing. See an infinite stream of miracles spread out before you, guiding your every step. As you rethink everything you've ever known, you'll see that life is not supposed to be difficult; man isn't supposed to suffer; fate isn't some abstraction beyond our control, and your life can indeed be wonderful".--From the Introduction*
