Doglands

Tim Willocks

Doglands Tim Willocks

Furgul is a puppy born in a slave camp for racing greyhounds, and he has a terrible secret--he is himself only part greyhound. When the cruel owner of the camp recognizes Furgul's impure origins he takes Furgul to be killed, but Furgul manages a spectacular escape. Now Furgul must confront the indifference, complexity, warmth, and ferocity of the greater world, a world in which there seem to be two choices: live the comfortable life of a pet and sacrifice freedom or live the life of a free dog, glorious but also dangerous, in which every man will turn his hand against you.

In the best tradition of *The Call of the Wild* and *Watership Down*, novelist Tim Willocks offers his first tale for young adults, an allegorical examination of human life through a dog's eyes, infused with heart, heroism, and the mysteries of the spirit.

From the Hardcover edition.
