India Once Ruled the Americas! Gene Matlock

The people of India have long known that their ancestors once sailed to and settled in the Americas. They called America Patala, The Under World, not because they believed it to be underground, but because the other side of the globe appeared to be straight down. Now, at last, many mysteries about Ancient America, such as the identity of the Mexican Quetzalcoatl, the true origins of our Native-American, etc., will be cleared up, once and for all.
