Knowing where a person lives is a vital part of growing up and understanding the world in general. By allowing a child to see an illustrated book containing the 50 states in the USA, the child will learn not only about his or her own state, but about neighboring states. This allows them to further understand the world outside of what they know, but prepares them for school and understanding the importance of knowing where one lives. Instead of only giving paragraphs and text, the book shows pictures of the USA and present information in an easy to understand way.
