Neal Pollack

Open Your Heart (A Matt Bolster Yoga Mystery Book 2) Neal Pollack

After solving the murder of illustrious guru Ajoy Chaterjee, yoga detective Matt Bolster is finally getting some students at his Los Angeles yoga classes. With attendance now hitting the double digits, nothing can stop the Bolster express.

When Bolster gets invited to teach at The Gathering, a prestigious yoga retreat run by the renowned Tom Hart, it seems like things can't get any better. Bolster is a little dubious about the cultish atmosphere, but, as they say in L.A., it's an honor just to be nominated. What starts off as a relaxing, decadent retreat quickly spirals into deadly chaos that forces Bolster to use all his yoga-detective powers, and also his fists.

Open Your Heart, like Neal Pollack's first Matt Bolster book, *Downward-Facing Death*, is a biting satire of trendy, sexually-driven yoga culture, where ancient principles of loving enlightenment clash with the darkest corners of human nature. The latest in the Matt Bolster Yoga Mystery series will thrill readers, whether they read it while in Crow Pose or on the couch.

This book was initially released in episodes as a Kindle Serial. All episodes are now available for immediate download as a complete book. Learn more about Kindle Serials
