S is for Stranger: the gripping psychological thriller you don't want to miss! Louise Stone

A gripping debut psychological thriller you *don't* want to miss!

'Louise Stone is an exciting new talent to watch. *S is for Stranger* is full of tension and atmosphere. A hugely compelling read.' ? Amanda Jennings, author of *In Her Wake*

There are two sides to every story. But only one is true...

Sophie wished she'd paid more attention when her little daughter, Amy, caught sight of a stranger watching them. She only looked away for a second. But now Amy's gone.

No one trusts an alcoholic. Even a sober one. The police are suspicious of Sophie's tangled story and so is her ex-husband, Paul. Especially when new information emerges that changes *everything*.

But what if Sophie is telling the truth? What if her daughter really is missing? And what if that stranger at the fairground wasn't really a stranger at all...

Perfect for readers looking for their next addictive read after *The Girl on the Train* and *Behind Closed Doors*.
