**The detailed memoirs and letters of a gifted and prolific chronicler provide an insider's view of life for the top echelons of society in the 16th century**

Sophia, Electress of Hanover (1630–1714), granddaughter of James I, and mother of George I, is best remembered as the link between the Houses of Stuart and Hanover. A true European, Sophia spoke English, French, German, Dutch, and Italian fluently, and was open-minded and intellectually curious. Her writings cover an astonishing variety of subjects: religion, philosophy, international gossip, household hints, politics, and the details of her family life.
