The Professor Cathy Perkins

The Professor presses his palm against her flank, feeling the liquid warmth of her blood, hotter than her skin. Hot, like the life force that he has claimed... The power over life and death is the ultimate thrill.

Someone is murdering women on South Carolina's college campuses: three women, three different schools. The Governor's order to State Law Enforcement Agent Mick O'Shaughnessy is simple: make it stop. More political maneuvering diverts Mick to nearby Douglass College. There, instead of another dead body, he finds Meg Connelly, grad student and faculty advisor for the latest victim.

Determined to finish her master's degree, Meg doesn't need anybody's help - including her estranged family - to succeed. There's something irresistible about Mick, but the last time she let someone get close to her, she lost everything except her self-respect.

As the investigation heats up, so does their relationship. But Mick's interest in Meg doesn't just endanger her heart--it puts her in the sights of the killer.

Once he gets her alone, he can take all the time he needs...
