The Secret of the Ages

Robert Collier

The Secret of the Ages Robert Collier

Joining the ranks of Tarcher's runaway editions of *Think and Grow Rich* by Napoleon Hill, *Public Speaking for Success* by Dale Carnegie, and *The Science of Getting Rich* by Wallace D. Wattles, here are three landmark guides to a life of prosperity-now restored to print in beautiful, signature volumes.

- Newly discovered by fans of *The Secret*, the metaphysical writer Wallace D. Wattles distills the rules of real power and personal achievement in his slender, immensely practical *The Science of Being Great*-the companion work to *The Science of Getting Rich*.

- Publisher Robert Collier taught millions of people how to achieve more, attain more, and live more-all by tapping the incredible faculties of the human mind. His leading book, *The Secret of the Ages*, is available once again in its authoritative, revised edition.

- Businessman Charles F. Haanel made a meticulous study of the "Law of Attraction" in *The Master Key System*-a step-by-step guide to activating the principle of mental power and a core inspiration behind *The Secret*.

Each of these volumes features reset and redesigned interiors, rough-front pages, and elegant French flaps, and is published at an affordable price.

Here are the cornerstone works of self-development-perfect for today's generation of readers.

From the Trade Paperback edition.
