**Vive: 1 (Crecimiento Personal) (Spanish Edition)** Karen Wyatt

¿Por qué tantas personas comprenden lo que de verdad importa en la vida solo ante una muerte inminente? Sucede así, sostiene la doctora Karen Wyatt, médico de familia que ha dedicado años de profesión a acompañar a enfermos desahuciados, porque la plena consciencia de la propia mortalidad trae consigo importantes revelaciones de índole espiritual. Por el contrario, el empeño de nuestra cultura en vivir de espaldas a la muerte nos está privando de una sabiduría trascendental. La doctora Wyatt recoge en este libro iluminador las enseñanzas que brinda la aceptación de la propia impermanencia. Desde el significado del sufrimiento hasta el verdadero propósito de la existencia, la autora despliega siete lecciones rebosantes de luz y esperanza a partir de sendas historias extraídas de su propia experiencia. Siete revelaciones transformadoras que no solo proporcionarán consuelo a los que afrontan el tránsito final sino a todo aquel dispuesto a contemplar la vida como un viaje espiritual que se despliega en el plano físico.
