Aleta Karstad

A Place to Walk: A Naturalist's Journal of the Lake Ontario Waterfront Trail Aleta Karstad

What do experienced field naturalists discover when they explore the heavily populated Lake Ontario shoreline as if they were surveying a wilderness for the first time?

In this beautifully illustrated book, **Aleta Karstad** takes you on a journey of discovery along the route of the Lake Ontario Waterfront Trail. Listening for calling frogs in spring, turning stones, sampling shoreline drift, identifying plants and animals, Karstad and her husband, herpetologist Frederick W. Schueler, discover a wealth of natural life, sometimes in unexpected places.

The expedition journal, illustrated by **Aleta Karstad**'s elegant drawings and delicate watercolours, takes up where popular field guides leave off. It is a guide and inspiration for readers to explore their own region with fresh eyes, with an invitation to assist in monitoring animal communities.

Oh come on your looking at sixth sense already told you so why you have to listening to one more sixth sense.

Jennifer Pittman:

Reading a book being new life style in this yr; every people loves to study a book. When you study a book you can get a large amount of benefit. When you read guides, you can improve your knowledge, because book has a lot of information into it. The information that you will get depend on what forms of book that you have read. If you wish to get information about your review, you can read education books, but if you act like you want to entertain yourself look for a fiction books, this kind of us novel, comics, as well as soon. The A Place to Walk: A Naturalist's Journal of the Lake Ontario Waterfront Trail will give you a new experience in reading through a book.

Ricardo Hempel:

As a student exactly feel bored to reading. If their teacher requested them to go to the library as well as to make summary for some reserve, they are complained. Just tiny students that has reading's spirit or real their passion. They just do what the trainer want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that reading is not important, boring and can't see colorful images on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this A Place to Walk: A Naturalist's Journal of the Lake Ontario Waterfront Trail can make you experience more interested to read.
