Fatal Vision

Joe McGinniss

Fatal Vision Joe McGinniss

Fatal Vision is the electrifying true story of Dr. Jeffrey MacDonald, the handsome, Princeton-educated physician convicted of savagely slaying his young pregnant wife and two small children, murders he vehemently denies committing.

Bestselling author Joe McGinniss chronicles every aspect of this horrifying and intricate crime, and probes the life and psyche of the magnetic, all-American Jeffrey MacDonald, a golden boy who seemed destined to have it all. The result is a penetration to the heart of darkness that enshrouded one of the most complex criminal cases ever to capture the attention of the American public. It is a haunting, stunningly suspenseful work that no reader will be able to forget.
