There is more than just blood between parent and child. Itto Ogami and his son Daigoro have seen more blood flowing from more bodies than anyone in Edo, but what connects them is their spirit and path. In this collection of classic stories, Itto must protect a young girl after her family is destroyed by a cunning courtesan. Meanwhile, Itto's arch-enemy, Yagyu Retsudo, has sent the civilian police force to round up the Lone Wolf as a common criminal, and before long, Daigoro is coincidentally tangled in a messy pair of crimes. And, most dramatically, Itto returns to the scene of one of his past executions to enter a tender and honorable sword fight against an executed lord's former retainer.
