Miscellaneous Handkerchief Tricks That You Can Do George De Lawrence

From the INTRODUCTORY:

I HAVE had repeated requests for a book on handkerchief tricks, I have compiled the following, which from my point of view comprise some of the best effects with the silks. Handkerchief tricks appeal to many, not only due to the fact that the effect is mysterious, but also from the fact that silks, while actually taking up but little space, make a flashy appearance.

There are many incidental pieces of apparatus for the production, vanish, etc., of handkerchiefs and flags, a number of which I have explained, though I do not advise the amateur to attempt the manufacture of same, excepting the very simplest, because, like all magical apparatus, attention must be paid to details; everything must be mechanically perfect to get the proper results, and for the slight difference between the cost of home manufacture and that asked by dealers, it will pay to patronize the latter, who are in the business and know just what is needed to produce the correct results.

As in most of my works, realizing that patter is greatly desired by purchasers of books, it is provided herewith for a complete fifteen minute act with handkerchiefs, which, by the way, would probably be a welcome sight to many audiences who have seen the pasteboard artist, and the mechanical magician, so often they know the effects beforehand, and instead of being interested, are many times bored by his appearance.

Club workers should endeavor to change their program each year, not necessarily the entire program, but sufficiently to make the act a welcome sight to those that have witnessed it before. In the smaller towns and cities, a club magician, if he be a good one, will appear year after year before the same clubs and societies. You would not want to hear your songster warble "When You Were Sweet Sixteen, Maggie," year after year — the same applies to the magician, though some fail to realize this important fact. Very fraternally,

(Signed) GEO. De LAWRENCE.
