Beatriz Martha Narro Etchegaray

Tatis: Sobreviví al cáncer, estando desahuciada (Spanish Edition) Beatriz Martha Narro Etchegaray

En el año 2003, Tatis fue diagnosticada, en hospitales de México y de los Estados Unidos de Norteamérica, con cáncer de piel tipo Melanoma maligno con metástasis a los ganglios linfáticos. Fue desahuciada en el mismo año 2003 y, posteriormente, en el 2006, ya con metástasis a otros órganos importantes del cuerpo. Sin embargo, al día de hoy Tatis está curada. En esta obra, la autora nos relata su historia en dos partes: "Mi vida antes del cáncer", y "Mi vida a partir del cáncer". En el primer capítulo nos comparte sus experiencias de vida como niña, adolescente y mujer: sus primeras experiencias con el sexo opuesto, la muerte de su mamá, su papel como hermana mayor de cuatro hermanos menores que ella, su hermana enferma y su papá alcohólico; su matrimonio con un hombre en extremo difícil, la muerte de cuna de su bebé, la manera como formó a sus hijos y las arduas decisiones de vida que tuvo que tomar a cada paso del camino. La segunda parte comienza con el descubrimiento de que padece un cáncer mortal, a causa del cual los médicos la desahucian en dos ocasiones. Es en este capítulo donde nos lleva de la mano a lo largo de su enfermedad, para compartir con nosotros su aprendizaje al enfrentar este monstruo que de pronto apareció en su vida. Se trata de una historia salpicada de valor, fortaleza y fe, a través de la cual el lector aprende a valorar la vida a través de las experiencias de la autora.
