Tecumseh, a chronicle of the last great leader of his people (Chronicles of Canada) Ethel T Raymond
Three Indian figures stand out in bold relief on the background of Canadian history the figures of Pontiac, Brant, and Tecumseh. The Ottawa chief Pontiac was the friend of the French, and, when the French suffered defeat, he plotted and fought to drive the English from the Indian country. Brant, the Mohawk, took the king's side against the Americans in the War of Independence, and finally led his defeated people to Canada that they might have homes on British soil. And Tecumseh threw in his lot with the British in the War of 1812 and gave his life in their service. But, while Pontiac fought for the French and Brant and Tecumseh for the British, it was for the lost cause of their own people that all three were really fighting ;and it was for this that they spent themselves in vain. Tecumseh, whose story we are to tell in T.
